Barrie's in good company

SOUTH Aussie wind desalination company executive **Barrie Harrop** will rub shoulders with UN Secretary-General **Ban Ki-moon**, former U.S. vice-president **Al Gore** and Virgin founder **Richard Branson** in Denmark this week.

The director of Mawson Lakes company Windesal will be among 800 business people, scientists and economists to set a commercial agenda for the UN Climate Change Conference in Copenhagen in December. "The Kyoto Protocol runs out in 2012 and the goal of the Copenhagen conference is to review and renew those protocols beyond 2012," Barrie said.

He and Danish Consul-General **Helle Sejersen Myrthue**, below, were at the CEDA Water for our Future conference in Adelaide yesterday.
